0 of 0 review helpful great book By Johnny in Texas great book 1 of 1 review helpful It s an atlas it needs more maps By Andrew This is a great book for pictures and descriptions However there are not too many maps The other books in this series are fantastic and they have lots of enlightening maps This book stands out for not living up to the quality of the res About AD 800 mysterious long ships made their first appearance along the North Sea coast of Britain From

Shetland to the Thames these raiding ships appeared out of the sea mists carrying warriors so fierce that no one could stand against them By the middle of the 9th century these raiders began to establish settlements and the raids continued from Norse bases in Orkney Ireland and the Isle of Man The raiders eventually became rulers creating Scandinavian colo From School Library Journal Grade 7 Up In spite of the title maps are not the most useful or impressive feature of this book In fact many of the chapters covering such areas as religion and mythology ships or warfare contain no maps at all However what re
