By Martin Solly : Xenophobe's Guide to the Italians home ownership and renting germans have a completely different attitude about home ownership and renting the american dream was always a home of ones own peter vlemmix is on a quest to expose the european union and to answer whether europe provides jobs and democracy or is it only a big business scheme Xenophobe's Guide to the Italians:

1 of 1 review helpful Informative mildly witty By Geva I got turned on to this series by reading Xenophobe's Guide to the Dutch which is a hilarious and enjoyable read This one isn't quite up to the same standard of humor but is a good primer on modern Italian culture useful for tourists and the curious more than serious students These books strike a delicate balancing act between telling you PC washed nothing on one La Dolce Vita The Italians live life to the fullest and do not feel in the least bit guilty leading a life of leisure and pleasure 24 hours a day seven days a week 52 weeks a year This is what life is all about Italians do not live to work they work to live nbsp Achoo Brute Light hearted guides well worth reading before you visit any of the countries or if you have relatives that hail from those parts of the world they can explain a lot Burton Mail An enlightened new series good natured witty and useful The Xenophobe
