By Rolf Toman, Achim Bednorz : Vienna the official online travel guide for the city of vienna with information about sights events and hotel bookings and the vienna card vienna german wien is the capital city of austria it is in the east of the country on the river danube more than 1800000 people live there 2016 Vienna:

1 of 1 review helpful Another grand slam for Toman and Bednorz By jpcooper This is a great book for the price It could easily have been produced in a little larger format and been selling at three times the amount There s a lot covered in this volume everything from the Middle Ages to the present The material is presented in chronological order covering the architecture art and sculpture of each period Vienna presents a comprehensive richly illustrated insight into the art treasures of the Danube metropolis The main focus is on the baroque era with its magnificent church buildings and palaces including the Hofburg Sch ouml nbrunn and Belvedere historicism with its architectural

highlights on the new Ringstrasse and Viennese art nouveau including artists Gustav Klimt and Oskar Kokoschka the Wiener Werkstätte und Sezession Well founded essays on the beginning About the Author Rolf Toman has worked as an independent art publisher for various international publishing houses for several decades He authored and edited many acclaimed publications on art history and spirituality
