The purpose of this book is to apply theories and perspectives from the Study of Religion or Comparative Religion to the study of the pre Christian culture in the North The basic idea is that such an application will enlighten our understanding of some myths and other narratives which from other points of view may seem obscure and thus give us a glimpse into the world view of the pagan Scandinavians which cannot be obtained otherwise The book deals with problems About the Author Mats Malm is Professor of Department of Literature History of Ideas and Religion at the University of Gothenburg
