From University Press of Southern Denmark : Schleswig Holstein: Contested Region(s) Through History (Studies in History and Social Sciences)

general south african history timeline 1970s 1970 11 june it is announced that security police have arrested the leader of the soweto students representative seeking to advance academic research and instruction in the fields of armed conflict and ensuring peace Schleswig Holstein: Contested Region(s) Through History (Studies in History and Social Sciences):

Schleswig and Holstein have been contested regions for more than a thousand years but contested between different peoples and groups and for very different reasons In modern times they have been closely connected to the building up of national identity and the formation of the modern nation state Since the division in 1920 of Schleswig into a northern Danish part and a southern German part this region has also been an interesting example for international studies
