**By David Wilson : Vikings in the Isle of Man** tynwald is the parliament of the isle of man tynwald is of norse origin and over 1000 years old and is thus the oldest parliament in the world with an unbroken position in the middle of the irish sea the isle of man is not recognized as part of the united kingdom but rather as a self governing british crown dependency Vikings in the Isle of Man:

0 of 0 review helpful Great historical reference By Christine Sebek Great historical reference especially since my family lives there and we visit often It s great to have an in depth overview of the IOM 0 of 0 review helpful Great book for those interested in the heritage and Ellan Vannin By GReG An excellent read The Isle of Man provides a microcosm of Viking settlement in the West Set in the northern part of the Irish Sea it was a major player in the economic and political life of this Norse region from the beginning of the tenth century until the end of the Scandinavian overlordship of the Hebrides and Man in the middle of the thirteenth century This book presents for the first time for both specialist and general reader a major survey of the Island in the period from the Thorough synthesis of the archaeological evidence a strong introduction to the period from a Manx perspective with frequent comparisons and parallels Mike Pitts British Archaeology October 2008
