0 of 0 review helpful Exuberance of life in a cookbook By Victor S Proulx I have had this book for some years and feel I must say something Ms Spector is delighted with Venice and its food One suspects she is delighted with life and could if forced to make a great book about Midland TX and its cuisine Hey the history of the fork in Venice Venice vegetable gardens the history and importance of polenta obscure art h This is an almost indescribably ethereal work of

love that portrays Venice and its food as no other book has ever done. The illustrations are lush, detailed and deeply reflective of not only the look of Venice but its very soul, its moods, its history, weighted sadness. Italian Food Wine Magazine, January 1999. In this book, Sally Spector, who is from Chicago and now lives in Venice, takes us on a mouth-watering culinary trip, her historical love affair with food, quite.
