with uncertainty then with inspiration he would do splendidly Old Frisian Etymological Dictionary (Leiden Indo-European Etymological Dictionary):

5 of 5 review helpful A Major Addition to Germanic Resources By John E McLaughlin This is a major addition to the corpus of work on Germanic languages Old Frisian has been long neglected in Germanic studies but this work will help to fill that gap in our knowledge It deserves to be placed alongside Lehmann's 1984 A Gothic Etymological Dictionary as a major resource for not just the language in question but for it. Due to the lack of lexicographical tools Old Frisian cognates are rarely included in current etymological dictionaries of Germanic and Indo-European despite the fact that Old Frisian can often provide important clues for the reconstruction. At the same time it is difficult for the students of Old Frisian to acquire knowledge of the linguistic prehistory of this language. With this first etymological dictionary of Old Frisian based on the lexicon of Riustring A Major Addition to Germanic Resources July 14 2007 By John E McLaughlin This is a major addition to the corpus of work on Germanic languages Old Frisian has been long neglected in Germanic studies but this work will help to fill that gap in our knowledge.
